FLORIDA DEPARTMENT OF HEALTH

Return to:

_____ County Health Department

Body Piercing Salon Injury Report

Pursuant to Chapter 64E-19, Florida Administrative Code (F.A.C.), and section 381.0075, Florida Statutes, all infections, complication or diseases resulting from the body piercing procedure which become known to the operator shall be reported to the Department of Health by the operator within 72 hours of the operator becoming aware of the condition. Incidents are to be recorded on this form and a copy forwarded to the department. A copy must also be provided to the complainant.
