

# HIV/AIDS Community Education

## HIV/AIDS 500 Course Overview Class Price \$15.00

This course is the prerequisite four hours training for the HIV 501 Course. The HIV 500 course provides specific information to prepare participants to become HIV pre and post test counselors. Participants will be able to; learn or review basic knowledge of HIV/AIDS; discuss the modes of transmission and methods of prevention; and to identify basic concepts of HIV prevention counseling, testing and referral (CTR).

Availability for this class is limited. For registration or questions regarding this course, please contact Calvin Tillman at (407) 665-3247 or at [HIV\\_Trainer@doh.state.fl.us](mailto:HIV_Trainer@doh.state.fl.us)

## HIV/AIDS 501 Course Overview Class Price \$60.00

The HIV Prevention Counseling, Testing, and Referral (CTR) course is a two and a half day (20 hours) course designed for persons who will be conducting HIV prevention CTR services. Completion is mandatory for all persons providing these services in publicly funded CTR sites. This training provides a greater understanding of HIV/AIDS, testing protocols and skills enhancement in risk reduction counseling, for individuals providing services in the public and private sector. Completion of HIV 500 Course is prerequisite for HIV 501 Course.

Availability for this class is limited. For registration or questions regarding this course, please contact Calvin Tillman at (407) 665-3247 or at [HIV\\_Trainer@doh.state.fl.us](mailto:HIV_Trainer@doh.state.fl.us)

## HIV/AIDS 501 Update Class Price \$10.00

This is a two hours review of HIV 501 Course. Annual updates are required for all HIV pre and post test counselors. This course can not be taken as a substitution of HIV/AIDS 501 Course.

Availability for this class is limited. For registration or questions regarding this course, please contact Calvin Tillman at (407) 665-3247 or at [HIV\\_Trainer@doh.state.fl.us](mailto:HIV_Trainer@doh.state.fl.us)
